LIQUID SPARKLE

Liquid Sparkle is a concentrated blend of heavy duty detergents and specialty solvents combined with water softeners and scale inhibitors to provide maximum cleaning efficiency in all types of glass washing machines.

Liquid Sparkle was developed specifically for the cleaning of glassware through automatic glass washing machines but is also suitable for manual hand washing applications.

FEATURES & BENEFITS

- Highly concentrated liquid
- Ensures economical dose rates
- Contains water softeners
- Effective even in very hard water
- Extremely free rinsing
- Leaves glassware spot free
- Contains scale inhibitors
- Prevents scale build up in machine
- Low Odour
- No unpleasant odours during wash cycle
- Removes all stains in wash cycle
- No need for pre-soaking

DIRECTIONS FOR USE
