## ANV180 – Aircraft Vacuum Cleaner

The ANV180 dry vacuum cleaner has been developed to cater for the demands created when cleaning onboard varying types of aircraft, making it ideal for commercial cleaning applications where the turnaround time between each flight is kept to a minimum.

With an incredible 8 litre capacity combined with an overall machine weight of 5.6kg, the power to weight ratio is second to none.

Complete with a fully integrated accessory kit and onboard storage for the crevice tool and dusting brush, makes this a truly versatile cleaning product.

- 2 Year Warranty
- 8L capacity (dry only)
- HI-VIZ anti kink power lead\*

\* Note power lead does not come with a plug fitted, suitable plug will need to be fitted before use
