CVD900 – CombiVac Wet & Dry Vacuum

The CVD900 CombiVac will effortlessly clean even the dirtiest of places.

The unique filter system enables the user to switch between wet and dry pickup without having to change filters or kits.

The all Structofoam construction is rugged yet light in weight and with oversized wheels and castors you can move it easily over all surfaces, or up and down stairways.

- 2 Year Warranty
- High efficiency dual washable filter
- 2 x 1060W TwinFlo bypass motors
- 30L wet or dry capacity
- Tipper system for easy emptying
- Stainless steel tubes
- Commercial kit including 400mm wet and dry ProFlo floor tools
