- Safe on All Surfaces

H15 HOUSEKEEPING

MEDIC

Medic is a highly active QAC based hospital grade disinfectant. Medic has been specially formulated to leave all hard surfaces clean and germ free with a lasting floral fragrance. Medic is readily biodegradable.

Medic will reduce the number of pathogenic organisms to such a level that they are no longer able to initiate an infection. Medic meets the NSW Health Department Standards proposed in the Therapeutic Goods Act. Medic is TGA and NATA certified according to Therapeutic Goods Order 54 guidelines for hospital grade disinfectants.

FEATURES

- Multi-functional.
- Contains a broad spectrum bactericide.
- Leaves a fresh long lasting fragrance.
- Safe on all surfaces.
- Phosphate free formulation.
- Cleans, sanitises and deodorisers in one application.
- Contains a high residual perfume.
- Based on mild detergents.

DIRECTIONS FOR USE

For disinfecting under clean conditions:
dilute Medic 1:100 with clean water.

For cleaning and disinfecting:
dilute Medic 1:40 with water.

For spray and wipe cleaning: fill trigger spray with diluted solution. Apply to surface using a dean cloth. Rinse cloth or mop when soiled. Allow surfaces to air dry.

For bucket cleaning: fill bucket with diluted solution. Apply to surface, use cloth for small areas, mop for floors. Rinse cloth or mop when soiled. Allow surfaces to air dry.
